HVAC SOLUTIONS

HOW IT WORKS

1

SUPPLY OF MACHINES

Being an authorized distributor we always hold the better pricing and stock availability which helps us in insuring you the immediate delivery.

2

INSTALLATION & COMISSIONING

Having an in-house team of 40+ professionals & highly skilled engineers, we gives you assurance for the right solution, standard installation and proper pre-post quality check of the project. Our OEM trained engineers follows all standards & guidelines to ensure the proper commissioning of machines.

3

ANNUAL MAINTENANCE CONTRACT

PACS is having company trained service engineers and spare parts stocks which gives a trust of zero downtime to your machines. We have competitive & customized AMC plans for your air conditioning & fresh air solutions.

AFTER SALES SUPPORT

At BNE, we are more than an HVAC company; we are your partners in creating optimal indoor environments. With a commitment to excellence, a team of in-house professionals, and a focus on after-sales service, we redefine the standards in heating, ventilation, and air conditioning solutions.

AFTER SALES SERVICE & SUPPORT

We believe in forging lasting relationships with our clients. Our after-sales service and support extend beyond the installation phase. Our commitment is to be there for you, offering maintenance, troubleshooting, and any necessary repairs to keep your systems running smoothly.

TICKETING SYSTEM

Transparency and efficiency are the cornerstones of our operations. Our advanced ticketing system ensures a streamlined process for logging and resolving issues promptly. This system allows us to track service requests, monitor progress, and maintain open communication with our clients throughout the service lifecycle.

SERVICE ENGINEERS

Our team of skilled service engineers is ready to respond to your HVAC needs with precision and expertise. Whether it's routine maintenance or addressing a specific issue, our engineers are equipped with the knowledge and tools to provide effective solutions.

DEDICATED CUSTOMER SUPPORT TEAM

Your satisfaction is our priority. Our dedicated customer support team is available to address your queries, schedule service appointments, and provide timely updates. We believe in proactive communication to ensure a smooth and hassle-free experience for our clients.

IMMEDIATE SPARE PARTS AVAILABILITY

Minimizing downtime is crucial in HVAC systems. Our commitment to immediate spare parts availability means that we have the necessary components on hand, reducing repair time and ensuring a swift resolution to any issues that may arise.

EXPERIENCE THE BNE DIFFERENCE

At PACS, we don't just deliver HVAC solutions; we deliver peace of mind. With a focus on professionalism, transparency, and unwavering support, we are your reliable partner in creating comfortable and efficient indoor environments.

OUR RECENT PROJECTS

At PACS, we don't just complete projects; we elevate them to a standard that exceeds expectations. Our adherence to industry standards ensures that every HVAC solution we deliver is not only state-of-the-art but also compliant with the latest regulations and guidelines. As we continue to pioneer excellence in the HVAC sector, our clients can trust that their projects are in the hands of a team dedicated to setting and surpassing the highest standards.
